1954 GUSHER

DEDICATION

*It is the spiritual which always
determines the material.*

—CARLYLE

This year in the City of Byrd, a new spirit has come into existence in the minds and hearts of its citizens. Its power has been strongly felt in the sports activities as well as within the classrooms. To this wonderful spirit of 1954 we dedicate our GUSHER as a fitting climax to a spectacular year.

You Wait Your Turn for Water.

In Seclusion You Study for the Test
Which is Next Period.

You Take Your Test.

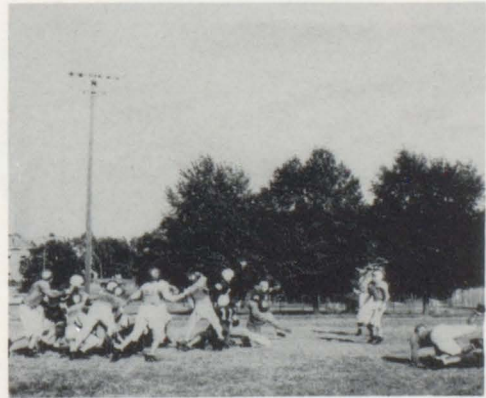

You Try to Borrow an R.O.T.C. Hat,
But No One Will Lend You One.

You Get One at the Lost and Found.

You Must Stay in for Being Late.

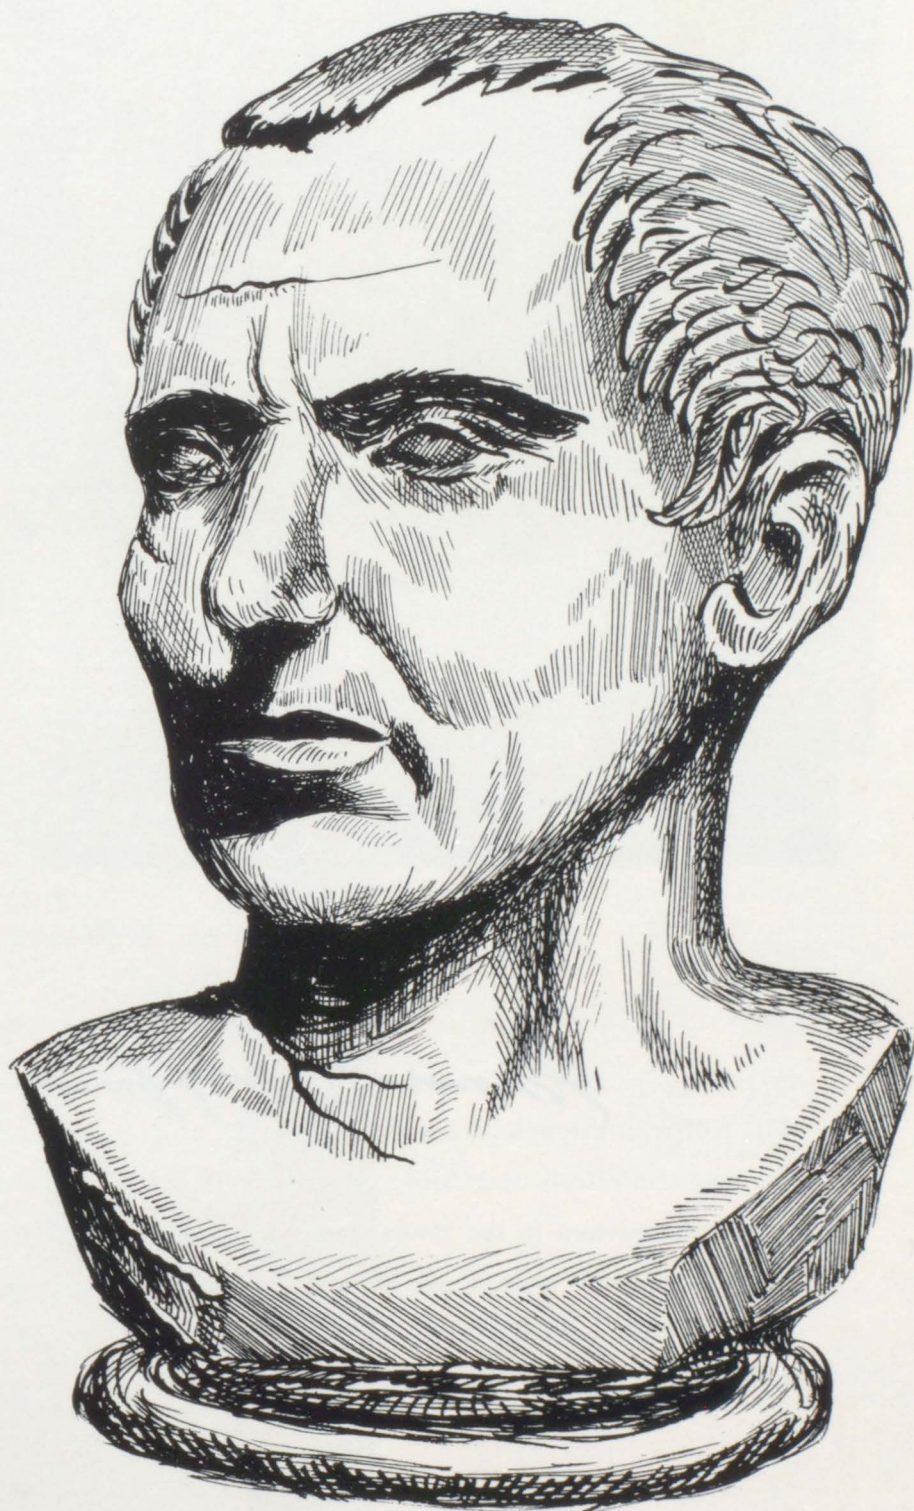

About 3:30 You Go to Football
Practice.

At Last You Are Going Home.

ADMINISTRATION

MR. GROVER CLEVELAND KOFFMAN

B.A., M.A., and L.L.D.

Principal

Mr. Koffman throughout his thirty-four years of devoted service has spent his time and efforts unselfishly on our behalf. He has done much to give us a firm foundation in the fundamentals of education and to make the City of Byrd an active part of our lives and of the community in which we live. Our principal has endeared himself to all of us and we are deeply grateful to him.

ACTIVITIES

THE GUSHER

Judy Wintle, Ethelyn David, Ricky Mills, Carolyn Crumley, and Robert Caruthers are trying to decide which pictures they will use in the yearbook.

Editor Sarah Sneed and Associate Editor Ruth Knighton are shown making plans for the 1954 Gusher with Miss Margee Sanders, Sponsor.

It is with great pleasure that we, the Gusher Staffs, present the 1954 Gusher to the students and faculty of Byrd High School. We sincerely hope that you will find many hours of happiness in this year's annual. We appreciate the cooperation of the administrative officers, the faculty, and the student body in compiling the book and wish to express our sincere thanks.

Martha Annan, Miriam Eakin, John Young, Ann Hamilton, and Richard Gay of the editorial staff are shown checking the card catalogue.

Honey Morris, Susan Forrester, Jackie Birdwell, Ronald Bryan and Mary Simmons look over some illustrations from the Art Department.

1954 STAFFS

Advertising Manager Renie Ferguson and Business Manager Ruth Harper are shown discussing advertising with Mrs. Phalamae Gray, Sponsor.

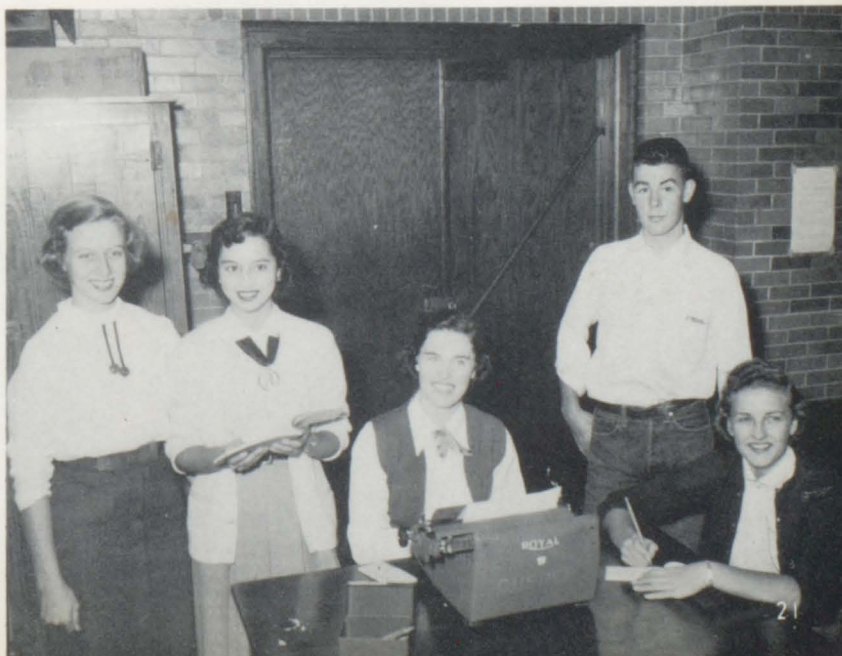

The Gusher workers are divided into three staffs, business, editorial, and art. Taking orders and ads and delivering the finished book are the duties of the business staff. The editorial staff makes all layouts and writes all articles published in the Gusher. With suggestions from the other two staffs the art staff draws pictures for the division pages and designs the attractive cover.

Richard Pyburn, Julie Riffe, Jenny Broghan, Peggy Longino, and Claudius Whitmeyer check layouts in the staff dummy.

Jimmy Owen, Blair Quinn, Virginia Blizzard, Sara Heard, and James Stanford are shown checking receipts.

Jenola Googe, Anita Titone, Edna McClendon, Jimmy Hampson, and Julia Conger work hard making out subscriptions.

THE HIGH

Looking over a printed version of their work is the Business staff, consisting of, seated: Mrs. Zachary Breazeale, faculty advisor; Sybil Tyrrell, Dick Calhoun, Janice Crow. Standing: Patty Clark, Virginia Henslee, Roger Christian, Barbara Hudson, and Gloria Gaffney.

Headline counting is always a task, but it has to be done, as Janna White, Junior Assistant; Mary Simmons and Pat Peyton, Co-Feature Editors; and Pat Carlton, Junior Assistant, find out.

The Advertising staff includes, seated: Gay Quinn, Janna White, Kay Savony, Martha Carroll, Amelia McCord, Mary McLean. Standing: Elizabeth Dorr, Jackie Gribble, Juanita Morrison, June Moore, Betty Fullilove, Jane Oxford, Sylvia Small, Dorothy Akin, and Shy Richardson.

This Journalism class is learning the headline counts of different size types.

1954 LIFE

Measuring picture sizes for the dummy sheets of High Life are, standing: Donna Laskey and Fran Aimer, Co-Editors; and Karen Smith, Managing Editor. Seated: Miss Betty Harrel, faculty advisor.

The High Life is the school newspaper, which is compiled, published, and circulated by seven departments: the Advertising staff, the Business staff, the Circulation staff, the Exchange department, two Editorial staffs and the Art Staff. The High Life had the honor of being rated the Best AA Newspaper of 1953 in Louisiana. Last year this publication won first place in the Columbia Scholastic Press Association and Quill and Scroll International Honor Rating.

One of Miss Harrel's Journalism classes practices proofreading in workbooks.

Sandra Simmons, Club Editor; Mary Ann Wilhelmi, Personality Editor; Betty Hoyer, News Editor; and Paul Greenberg, Sports Editor, look over the finished product.

MR. BENNER

Travel and growth characterized the 1953-54 Byrd High Band. The Band was the guest band at the reading held at L.S.U. in February. Concerts were exchanged with Vicksburg, Mississippi besides the regular February and May concerts. The Band, starting with 70 members, has grown to a 98 piece band.

The Band enjoyed a most successful football season, topped off by a trip to New Orleans with the North Louisiana State Champs.

The Band department strives to acquaint the music student with the finest in music literature performed to the best of his ability, to develop a sensitive appreciation and enjoyment of music as an art, and to instill in him a sense of self-pride and responsibility.

The highest achievement in vocal music is the A Cappella Choir—the ability to sing without accompaniment. The choir concentrates not only on music which is enjoyable, but also on music which is educational from the standpoint of history and theory. Experience in part singing and the ability to work with a group toward a common goal are the two factors most necessary for entry into the choir.

VOCAL MUSIC GROUPS

MIXED CHORUS

GIRLS' GLEE CLUB

There are three choral groups: the Freshman Girls' Glee Club, the Girls' Glee Club, and the Mixed Chorus. The Freshman Girls' Glee Club is primarily a training group. The Girls' Glee Club sings three part music and is a performing group. The Mixed Chorus is a large group interested in singing for enjoyment and no previous experience is necessary.

FRESHMAN GIRLS' GLEE CLUB

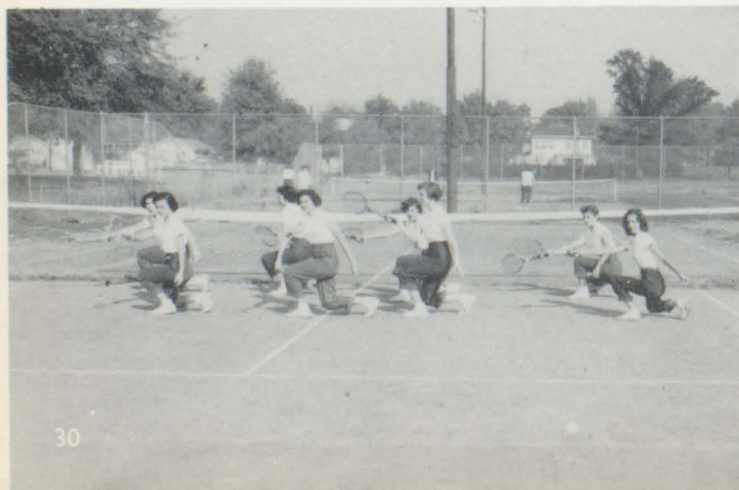

PHYSICAL

Basketball brings out a keen competitive spirit.

The Health and Physical Education classes offer a graduated program with instruction in sports, health, and rhythms. Providing various activities throughout the high school years, these classes develop interests and skills for leisure time. Such sports as volleyball, basketball, and softball promote much enthusiasm for the intramural program.

Tennis provides healthful outdoor activity.

Tumbling develops strong muscles.

EDUCATION

Calisthenics keep students in good physical condition.

Muscular co-ordination is developed by this pyramid.

PELICAN STATE

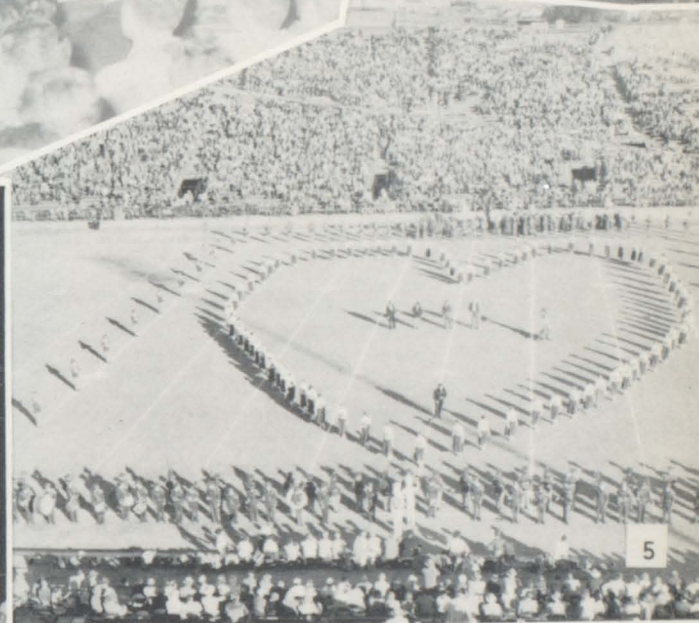

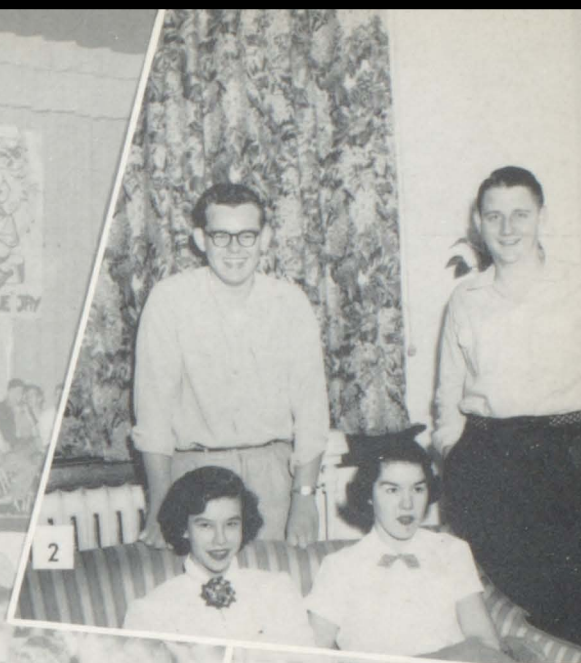

During the month of August, 1953, the annual session of Pelican State was held in Baton Rouge. Representing Byrd were twelve boys at Boys' State and thirteen girls at Girls' State. These students, who were recommended by the faculty and elected by the junior class, were sponsored by leading civic organizations of Shreveport. Meeting with representatives from high schools all over the state, they followed a program planned by the American Legion and designed to acquaint young people with the functions of their government. An outstanding record was made by the Byrd delegation, several members of which won state offices. The following won these offices at Girls' State: Ruth Knighton, Governor; Sally Reeder, Lieutenant Governor; and Ney Bailey, Attorney General. At Boys' State, Wellborn Jack was elected Secretary of State, Ricky Mills was Attorney General, and Whitfield Jack was Chief Justice of the Supreme Court.

MR. AND MISS GUSHER

Mr. and Miss Gusher, two outstanding seniors, were chosen by the Gusher staff in recognition of their four years of worthwhile service and achievements at Byrd High School. These prominent pupils are well known to the student body through their many activities toward the betterment of the school. We believe, and we know you will agree, that our choice is a good one.

The other "favorites" are elected by popular vote of the senior class. They represent the outstanding students of the graduating group.

BYRD 21—SULPHUR 6

SULPHUR, Sept. 11—With a smooth working ground attack that accounted for 232 yards, the Jackets avenged the 32-0 defeat suffered at the hands of the Sulphur Tors last season. The Jackets started rolling early to trounce the Tors 21-6. Scoring by both teams was limited to the first half. A Tor fumble on the 36, two running plays, and a pass from Gene Newton to Hall Morehead put the Jackets ahead early in the first period. James Bateman kicked the first of three successive conversions. On the third play of the second quarter, "Spanky"

McCoy sliced off the right tackle for 13 yards and pay dirt. A blocked kick set up the Purple and Gold's third TD. "Corky" Jones carried the mail for 23 yards to score standing up. Sulphur scored their only touchdown shortly before the half. The Tors' defense stiffened in the second half, and play was on more even terms. Hard running, tricky ball handling, taking advantage of opportunities, and a stellar defense, made the Jackets the standout of the night.

BYRD 21—CLASSEN 13

SHREVEPORT, Sept. 18—The Jackets showed just what they had to offer before 10,000 fans. An explosive running attack lead by Corky Jones and "Spanky" McCoy proved to be the right combination to trip the Sooners. The Rowan crew exploded early to score in the first four minutes of action. Corky Jones slipped through a gaping hole and legged it 30 yards for the first TD. In the second stanza it was Jones again galloping 15 yards to score. The Comets began to show a bit of offensive power moving all the way for 6 points. The try from placement sailed wide. A de-

fensive battle in the third quarter threw scares at both the Jackets and the Comets. A see-saw from the Purple and Gold's 15 yard line to the Comets 10 yard line kept both teams busy. Two runs of 35 and 11 yards by Hall Morehead put the ball on the 11 yard stripe. Fullback Richard Gay then split the center and was in the end zone. Bateman's third conversion set the score at 21-6. Classen took the kickoff and marched 72 yards to score. The Jacket's margin was trimmed to 21-13. With 20 seconds left McCoy took the kickoff on the 33 and returned it to the 43 as the final gun sounded.

BYRD 27—HOMER 6

HOMER, Sept. 25 — The Byrd Yellow Jackets tasted victory to the tune of 27 to 6. Coach Jack Rowan used all thirty-three men in overcoming the Pelicans. The B team dominated play throughout the second half. The first quarter saw a slick ball slip from both teams hands. The opening kickoff was fumbled by Byrd and recovered by the Pels. The Jackets regained the ball in the latter part of the first period. The first touchdown drive started on Homer's 29. After two running plays, Richard Gay slipped around right end from 11

yards out. A 13 yard jaunt off-tackle saw Gene Newton score standing up. The third score came when Newton on a punt return was bottled up on the five and lateralled to center Rex Staes, who carried it over for 6 points. Midway of the third quarter, Bill Bundrick took the pigskin on an end around play and scooted 44 yards for the final marker. Homer's only TD came with three minutes remaining in the final period when Charles Sanford cracked from the one yard out to climax an 83 yard march.

BYRD 20—BOSSIER 0

SHREVEPORT, Oct. 2—The Byrd Yellow Jackets displayed a flashy ground attack to demolish the scrappy but outgunned Bossier City Bearkats. Byrd was required to kick off twice due to an offside penalty, and Bossier finally took over on its own 39. Not being able to move the ball, the Kats kicked on fourth down. The Jacket machine began to move at once but was stopped short on a rare Gene Newton fumble. After an exchange of punts, Bossier dropped back to kick again, but this time it was a different story. Gay broke through, blocked the kick on the Kat 15, scooped it up on the eight, and scored. The conversion attempt by Bateman was wide. The home team kicked off but Bossier again couldn't gain on the stellar Jacket defense. A beauti-

ful 53 yard Slack punt sent the ball sailing to the Byrd 20. Newton took it over his shoulder and returned 15 yards. In systematic fashion Newton guided his club downfield to the Bossier 21 where Jones took the skin and literally ran over two Kat defenders into the pay dirt region. Bateman's placement was good this time. Bossier kicked off to start the second half sending the pigskin down to the Yellow Jacket five where Newton took it and returned it 52 yards. After a couple of long gains by Spanky McCoy and Jones, Gay took the ball, stepped through a neat hole, and made his way into pay-dirt region. Bateman made his second conversion of the night raising the score to 20-0, destined to stand that way until the end.

BYRD 34—MARSHALL 21

MARSHALL, TEXAS, Oct. 9—The Byrd High School Yellow Jackets exploded for four touchdowns in the third quarter to overcome a 14-0 half-time deficit and beat the Marshall High Mavericks 34-21. Not only did the Mavs score two touchdowns in the first two portions, but also they completely dominated the first half play. The Jackets received the kickoff to open the second half and immediately began to click. The kick was returned to the 33 yard line. Corky Jones took the skin from Newton on the first play from scrimmage and raced 15 yards to the 48 for a first down. Newton then slipped around right end on an optional play and scampered all the way to pay dirt. James Bateman converted, giving the Yellow Jackets 7 points in one minute of play.

Marshall fumbled the kickoff and the Byrdmen recovered on the Mav's 20 yard marker. Newton then used the same play and went all the way on the first play from scrimmage. Bateman converted and the score was knotted 20 all. Three minutes later a tricky Newton-to-Jones-to-Songer lateral play was good for 68 yards, and Byrd took the lead for the first time, 20-14, after Bateman's boot was wide. Newton scored again after a Maverick fumble, and Bateman converted to increase the lead to 27-14. Marshall managed to score midway the fourth quarter, and the score then stood 27-21. Merton Songer scored the last touchdown of the night on a jaunt of 15 yards. The PAT was good, and the score remained 34-21.

BYRD 33—BOLTON 13

SHREVEPORT, Oct. 16—Halfback Merton Songer scored four touchdowns while pacing the Jackets to a Homecoming victory. Byrd again had to come from behind to win. Bolton scored in the first quarter, but their lead was short-lived as Songer, early in the second period broke free over left guard and legged it 60 yards for a TD. Bateman booted the first of three conversions. Morehead scored on a 20 yard pass from Newton late in the second quarter to give the Byrdmen a 13-7 lead. With seconds remaining in the first half, Bear halfback Ken McLellan caught Saucier's kickoff on his own 8 yard line and ran through the entire Byrd team for a touchdown.

The half ended with the score knotted at 13-13. The Yellow Jackets roared back in the second half to completely outclass the Bruins. Songer again went through guard, this time, on a 59 yard scoring run with Bateman converting. On the final play of the third quarter Gay intercepted a pass to give Byrd the ball in Bear territory. Songer's third touchdown run was 42 yards through the right side of Bolton's line. He chalked his final TD on a 45 yard run through guard. As usual Rowan's defense was outstanding. Arrington, Spence, Kidd, Morehead, Smith, and Gay were the mainstays.

BYRD 25—HAYNESVILLE 7

HAYNESVILLE, Oct. 23—The Byrd High School Yellow Jackets made a brilliant second half comeback to drub Haynesville's Golden Tornadoes. An early lead was taken by the Byrdmen when Gene Newton scooped up a Don Nichols bobble and scampered 80 yards for a TD. The rest of the first half play was completely dominated by the Tors. In the first half statistics Byrd had no first downs and only 13 net yards rushing, while the Tornadoes had gained 10 first downs and rammed the Byrd line for 142 net yards and a 7-6 lead. Corky Jones wasted little time in the second half before nailing down an all-important victory by scoring on a 3 yard drive set up by a 40 yard sprint. Bateman converted to

boost the score to 13-7 with the Line Avenue crew out in front. With one minute gone in the 4th quarter, substantial gains by Gay and Jones set up a Newton to Smith pass for the 3rd touchdown of the night. The PAT was no good, so the score stood at 19-7. Taking a Tornado pass out of the air, James Bateman set up the final Jacket tally by racing to the 2 where Jones slammed it over on the first play from scrimmage. The third Bateman attempted conversion of the night failed, and as the final gun sounded, the scoreboard read Byrd 25, Haynesville 7.

BYRD 35—OUACHITA 7

SHREVEPORT, Oct. 30—The Yellow Jackets kept their unbeaten and untied record by exploding a four touchdown barrage in the first half and going on to crush the Monroe team 35-7. The Byrd offense, led by Gene Newton, rolled up 320 yards. However, the Jacket defense surpassed the offense by holding Ike McMullen, Ouachita's leading ground gainer, to a net gain of 47 yards. Richard Gay started things rolling early in the initial period by blocking a Lion kick on the 17 yard stripe. A few plays later Gay crashed over from the five. Bateman, who had his best night of the year, booted the first of five conversions. Merton Songer broke loose on a 74 yard touchdown gallop just before the end of the first period. Newton took

command of the second quarter, throwing a 17 yard touchdown pass to Harold Smith and scoring himself following Gay's recovery of a Lion fumble on the kickoff. Scoring slowed down in the second half with the Jackets and Lions crossing the double stripes only once apiece, both in the fourth quarter. McMullen scored from the one to finish the Lion drive which started on their own 47. Byrd's last score went to Corky Jones who plunged over from the one late in the final period. The Jacket's fierce blocking and tackling was a big factor in their victory. They performed as a coordinated outfit, holding Ouachita to a rushing gain of 39 yards in the first half.

BYRD 19—BASTROP 0

BASTROP, Nov. 6—The Yellow Jackets, despite the unlevel field and cold weather, bested the Rams, 19-0, for their ninth straight victory. The game was a see-saw battle plagued by fumbles and penalties. On the first series of plays the Shreveport charges drove 68 yards to the Ram's goal line. The drive was climaxed by Corky Jones one yard plunge for the TD. Bateman toed his only extra point of the game. In the second period Gene Newton had a 90 yard punt return called back by a penalty. The only other excitement in the first half was Spanky McCoy's 77 yard sprint just before the end of the half. Early in the third quarter

Newton hiked Byrd's lead on a 60 yard touchdown run. The Jacket's last score was only two minutes later when Bateman scooped up a Ram fumble and raced 35 yards for the score. Coach Jack Rowan's team fought off a Bastrop threat midway in the fourth period that started when Sam Shamblin recovered a Byrd fumble. The defensive aces in stopping this drive were John Kidd, John Arrington, Richard Gay, and Ray Spence. Arrington and Kidd constantly charged into the Ram's backfield to pull down ball carriers. The Yellow Jackets finished with 236 yards rushing with Jones and Newton getting the most yardage.

BYRD 20—SPRINGHILL 20

SHREVEPORT, Nov. 12—The Springhill Lumberjacks staged a story-book finish to tie the mighty Byrd Yellow Jackets, 20-20. It was a battle of halves with the Jackets dominating the first half, and the Lumberjacks controlling the last two stanzas. Byrd was leading 7-0 going into the second half on Gene Newton's one-yard buck through the middle. After four and one-half minutes of play in the third quarter, Corky Jones raised the score to 13-0 on another one yard plunge. The Jackets kicked off to the Jacks who cut and drove 81 yards in six plays into paydirt. The score stood 13-6 after the PAT was no good. Byrd then received the kickoff from the Lumberjacks and drove 84 yards with Jones and Merton Songer carrying the load. Newton knifed through on a 21 yard scamper to

spread the margin 20-6 with two minutes gone in the final period. On the passing of John D. Crowe, the Lumberjacks got down to the Jacket eighth Where John D. faded back as if to pass and then scampered across the double stripes. His own conversion was good cutting the Jacket lead to 20-13 with 10 minutes of playing time left. Songer took the kickoff and returned it to midfield, but a Jones fumble was gobbled up by Crowe, and Springhill took possession on their own 41. Crowe then took to the airplanes again and, after overcoming a 15 yard penalty, managed to score on a pass to Buddy Simmons with seconds left. The Crowe conversion was good, and the game was deadlocked 20-20.

BYRD 40—FAIR PARK 0

SHREVEPORT, Nov. 27—A crowd of 14,000 saw a 22 year old scoring record broken today. Right from the start, the Rowan crew rolled. The opening kickoff to the Indian's five was returned by Dennis Clarke to the Indian 15. That ended the Tribe's first drive. The Greenwood Road eleven bobbled under a host of Goldshirts and lost the ball. In three tries Jones bootlegged it from the 10 yard stripe to put the skin on the goal line after one and a half minutes of play. The PAT attempt was blocked. Again the kickoff was fumbled by the Indians. The black and gold's defense stiffened and forced Byrd to punt. It wasn't long before the ball had changed hands and Roy Clevis "Spanky" McCoy, III broke loose for 31 yards to start the drive.

Bulldozer Jones plowed from the four for the pay-off. From this point on it was branded by sportswriters "no contest." The 33-0 first half run was highlighted by a four yard TD stab by Newton. McCoy's 91 yard run accounted for the fourth TD of this Thanksgiving Day classic. Newton finished the next drive to end the first half. The Jackets rolled on with McCoy scoring from the 9 and ending a memorable Turkey Day game. Huge Rex "Bulldog" Staes had himself a day, running from fullback, intercepting a pass, and picking up a loose ball to help the Line Avenuers along to set a new record.

SHREVEPORT, Dec. 4—The Jackets advanced to the state finals, before 10,000 fans by romping to a one sided victory over the Lake Charles Wildcats. Gene Newton was the big gun in the offensive attack with Spanky McCoy giving a big assist by rolling off 159 yards. The Jackets were slow starting, but Coach Jack Rowan's boys came back fast in the second period. They started a drive on their own 22 and did not stop until they had crossed the double stripes. The drive was climaxed by a 12 yard aerial from Newton to Smith which Smith grabbed with a circus catch. Following Byrd's first score the game settled down to a defensive struggle that lasted until the final minute of the initial half. Byrd took over on their own 10 following a goal line stand. McCoy then broke loose on a 77 yard sprint. Three running plays carried the ball to the six from where Newton scored on a sneak. The Jackets scored again before the half ended. Newton hit Morehead with a pass on the 20, and he went all the way. During the third quarter the only score was Newton's 66 yard touchdown run on a keeper play. McCoy crossed the double stripes in the fourth period on a 58 yard sprint. The final score was credited to Newton. An eight yard trip through guard climaxed the drive which started at the Byrd 46. The Jacket defense was given a workout from the start, and they were not found lacking.

NEW ORLEANS, Dec. 11—The width of one slim extra point deprived the Byrd Yellow Jackets of the 1953 Louisiana AA Championship. The game was played on a sloppy, slushy gridiron in City Park Stadium in New Orleans. It was a disheartening affair for the Jackets. This defeat was hard for the team and coaches because it was the first of the season. The excitement of the game came in the last four minutes of the first quarter. Newton put Byrd out in front on a one-yard drive over center to climax a 65 yard drive. James Bateman's try for the extra point failed on a kick from placement. The Blue Jays started a 48 yard drive and came successfully through to score and add the extra point on a running play by fullback Jack Murphy. The one point lead didn't look so big at the time, but it proved to be all the Jays needed. The following quarter and second half proved fruitless as far as scores, but exciting plays, one after another, followed. In the second quarter the Rowan crew reached the Jay's 12 where a field goal attempt failed. Outstanding running by Corky Jones, "Spanky" McCoy, and Gene Newton kept the New Orleans boys on their toes. After the return home the Jackets were labeled "Champions" by the sportswriters.

COACH TURNER

The Byrd High Yellow Jacket's cindermen had eight wins and two losses in the 1953 season. The Turner men were shy of a state crown by 6 points. Breaking, typing, and setting new records throughout the state, the Jackets set a new record in the mile relay, the mile, and the half mile runs at the state meet. Coach Turner's hard work has produced two consecutive district titles and two second places in the state for Byrd. He has won seven district crowns in the last 9 years and has also produced two State Championship teams at other schools.

Byrd Students at Work

An English class is shown hard at work oblivious of the cameraman. These pupils will get a solid foundation in literature and grammar and acquire a good speaking knowledge of their language during the term.

No, it is not an atomic laboratory, but it is only a group of chemistry students trying a new experiment. This is one of our most interesting subjects and is enjoyed by all who take it.

One of the many typing classes is shown working on the weekly budget. In these classes students are taught accuracy and speed, which helps them in their college work or in securing a job after high school.

Caesar seems to be holding the rapt attention of these busy Latin students. Latin grammar, history, and literature are included in the course.

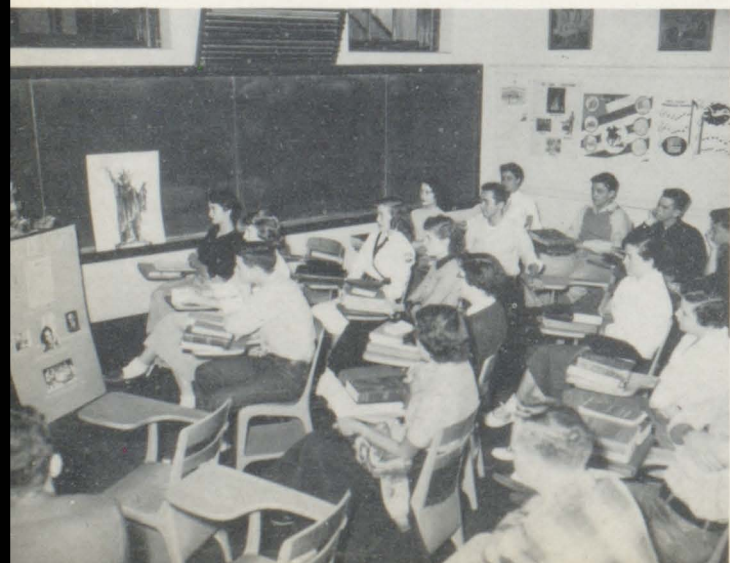

There is more to learn about driving a car than just how to start and stop it as is shown here. At Byrd we feel that it is very important to learn how to drive safely.

A period of tennis is enjoyed by these students from the girls' physical education department.

A typical American History class presents term projects. Through this course pupils acquire a knowledge and appreciation of our country, its growth, and its people.

Here a math class is shown computing a problem. Our efficient mathematics department thoroughly prepares students for college work.

Spanish, one of the three foreign languages offered at Byrd, is very popular with all students taking it. Besides teaching Spanish grammar and history, the teachers endeavor to bring the pupils in contact with the speech and customs of Spanish speaking countries.

The home economics departments at Byrd teach girls the value of instilling in their homes truth, love, security, and faith, as well as teaching them the fundamentals of homemaking.

Tumbling is one of the favorite activities of the boys' physical education department.

The woodwork department gives pupils an opportunity to acquire a sound knowledge of building and carpentry. The excellent tools offered enable the students to exercise their skill to the best of their ability.

The mechanical drawing classes are well supervised at Byrd, and therefore students are given the chance to exercise their talent to the fullest. It is an especially enjoyable subject and teaches exactness and precision.
